NEIGHBORHOOD GRANT SUCCESS STORY

Last year in the Cactus District Apollo Heights Neighborhood Improvement Grant. New entryway signage and landscaping now greets residents of the Apollo Heights Neighborhood as the result of a beautification project at the southeast corner of 46th and Northern avenues.

Glendale Avenue Corridor Redevelopment Kickoff Celebration

You are invited to join me for a very special event taking place in the Cactus District. Something that we have all been looking forward to, a building that has been sitting vacant for quite some time will be demolished and construction of the new City of Glendale's Court Building will soon begin. This project will, without a doubt, enhance Glendale Avenue.

The Glendale Avenue Corridor Redevelopment Kickoff Celebration will take place at 8 a.m. on June 9. The celebration will be held at the former Larry Miller Toyota building, 4715 West Glendale Ave. (47th and Glendale avenues) where demolition of the old dealership is set to begin at the future sight of the City Court Complex.

Neighborhood Improvement Grants. The city of Glendale recently approved eight grants totaling \$359,478, which will assist residents with improvements to their neighborhoods. Residents who live in neighborhoods that are at least 15 years old may apply for the improvement grants, which are awarded twice a year.

As part of its commitment to revitalizing and preserving older neighborhoods, the City Council established the Citizens' Advisory Commission on Neighborhoods to make funding recommendations on neighborhood improvement grant requests and to provide feedback on policies, strategies and programs relating to neighborhoods. The commission's recommendations support the Council's strategic goal of one community with strong neighborhoods.

The Commission reviewed eight neighborhood grant requests, which were then approved by the Mayor and City Council. For more information on the Neighborhood Grants Program, [click here](#) or call the Neighborhood Partnership Office at 623-930-2868.

Glendale's Public Art Collection. Highlights of Glendale's Public Art Collection can be seen in an interactive tour right on your computer. The arts program, funded by the State's first percent-for-art legislation, is designed to increase the public's awareness and appreciation of art.

With the help of the City Council, the Arts Commission began to place artwork in public places throughout the city assuring that all of Glendale's citizens would benefit from a more beautiful and vibrant community. Pictured to the left is "Territorial Sheriff" located at the Main Public Safety Facility. Once on the tour, click on this or any of the art images to learn about the piece, the artist, location, and inspiration behind its origins. [Interactive tour.](#)
